(CITY CHAPTER - ASSOCIATION OF SURGEONS OF INDIA)

Dear Friends,

Greetings from Mumbai Surgical Society. The last whole year saw a sea change in the way medical CMEs are held. Turning adversities into opportunities we at MSS thought why not revise the general surgical syllabus for our fraternity at a comfortable day, time and place to suit most. Hence we bring to you "Virtual Lecture series in General Surgery" every Friday from 9pm to 10.30pm starting from 23 April 2021 to march 2022. We have planned a series of such lectures on various topics in general surgery with main focus on latest developments in the particular subject. This would benefit not only practicing surgeons, but post graduate students and interested undergraduate students too. Please spread the message to all surgeons and students who could register complimentary and participate in this event. Looking forward to meet you all virtually on all Friday.
