ASICON 2019

18th - 21st Dec. 2019, Bhubhaneshwar, Odhisa
Asicon2019.com

Hi Friends,

We have been in the limelight in these past few months! But, all for the wrong reason!

Happy Doctors' Day ??

Violence against doctors continues.....No respite, No Action. NMC....for the benefit of who??

Consumer Protection Act gets worst...be prepared for heavier penalty!

Resident doctors still demanding better

accommodations...payment...facilities...since decades. Don't they deserve it?

So, the question oscillates in our stressed minds...are we really a Nobel Profession? Are we really corrupt? Are we cheats? It reminds me of the dialogue from 'Sholay..'beta soja, soja..nahi to doctor aajayega...'

Well, in spite of this, our resolve and moral is not broken, we continue to work, we continue to send our children for medical education. Infact, does our profession remind you of some other vocation? Years of rigorous training, minimal social or family life, only some of us make it big, and some of us die serving mankind.

Sometimes I wonder...did any of us, at that tender age of 17 & 1/2, join Medicine, thinking that it is a goo 'business'? Did we not think of treating the ailing? Did we not think of it as being a prestigious profession? Well, those days are gone. Think again: Did we deserve this?

Probably, we thinking of a solution? There is none, my friend. We can hope, that, in the long run, these changes will be beneficial to one and all.

So, in the meantime, let us review of all the good deeds that we have done in the past few months...

Instructional Course:

Course Director: Dr. Dnyanesh Belekar, Prof & Head, Dept of Surgery, Terna Medical College, conducted a Training course on 'Basic Knotting & Suturing Technique' for UGs and PGs. On 16th March. It was well attended, and received 2 Credit points from MMC.

Webinar:

Inter departmental webinar: 'Updates in GI Endoscopy', from: World Gastroenterology Institute, by Dr. Vipul Roy Rathod, for: PG residents and Interns. Course director:

Dr. Dyaneshwar Belekar, Prof & head, Dept of Surgery Terna Medical College & Hospital. Nerul, Navi Mumbai

CME:
