

### **Social Awareness Camp:**

A two-day Varicose Veins Awareness Camp was organised under the banner of Mumbai Surgical Society on 23rd & 24th August 2024 in Chirayu Healthcare Chembur and Satyam Hospital, Ghatkopar, Mumbai.

Total 15 patients were examined. Cases ranged from Reticular Veins (Spider Veins) to severe High Oozing Venous Ulcers. They were guided on further management like investigations and procedure required, as well as exercises and prevention in the future.

All patients got:

- Discount coupons for Venous doppler (i.e., doppler charged only Rs 1700/-).
- Free follow-up.
- 10% Discount on Foam Sclerotherapy.
- 10% Discount on Class-2 elastic stockings.
- 10% Discount on the surgical package.
