Dear Friends

It's been two full years when we last met at MSSCON 2020. "Ache Din" seems to be back again so let's catch up again for a fully physical MSSCON 2022 at Bombay Hospital. The scientific program has been designed to include a wide variety of newer updates in surgery along with opportunity to show case our own work in the form of free papers or videos. Managing your finance comes as an additional learning never taught to us before. Faculty list includes who's who in that particular field. Your presence and deliberations will add the much-needed flavour to the academic feast. Needless to mention the associated benefits of MMC credit hours and a sumptuous food at Bombay Hospital. The event will be followed by AGM of the Mumbai Surgical Society.

Come join us on **20th March at the SP Jain Auditorium.**
